Dishwasher

Hidden away at the end of a very convenient, private and peaceful Cul-de-sac location is this spacious home on a big old fashioned sized block. Oh, so close to Town Centre, Schools, Sports Facilities and all the amenities you could ask for, living here will be fantastic for both mum and dad and the kids. Leave the cars at home and walk or cycle with ease. Set on 904m², there is plenty of room to house a small army and plenty of room for a Vegie Patch, Chook Run and space to play and entertain.

The house boasts multiple living spaces internally and externally and has generous proportions throughout. Particularly the huge inside open plan living areas. Tucked away out the backyard is a fabulous freestanding Studio, ideal for visitors, teenager's getaway or workspace. It's a cracker. Guests and family alike will certainly fight over who gets their hands on this little Gem. Storage is not an issue either with plenty of room to store all the big boys, and girl's toys with the drive through lock up garage and adjoining "Board Room".

Locals are taking these older homes on bigger blocks to the next level....and this cracker property in a cracker location is going to get a lot of interest.

Contact Craig Bamford Property Consultant to 4 McKeown Place to make a time to inspect.

About the Margaret River Region

Explore our region

Margaret River is one of Western Australia's best tourist draw cards as it is world renowned for its winemaking, spectacular surf breaks and coastal scenery. Towering forests and picturesque vineyards provide scenic delight above ground whilst magnificent limestone caves form unique beauty underground. Located just 300 kilometres south of Perth, Margaret River is a holiday destination that is accessible to all and each year, some 1,500,000 overnight visitors embrace the diversity of this surfing, scenic wine growing region. The Augusta Margaret River region is enriched with wide range of cultures, characters and activities and supports a local population of approximately 15,000, making it one of the fastest growing shires in Australia.
